LES PRIX CANADA GAIRDNER AWARDS

The Gairdner Foundation Laureate Symposium

Thursday, October 26th, 2017 · 9:00 AM – 2:45 PM
University of Toronto McLeod Auditorium

Join our 2017 Canada Gairdner Award laureates as they share their award-winning biomedical research that is revolutionizing the way we tackle human health and disease issues across the globe. Over the course of this one-day symposium, each of our seven laureates will present their seminal research, including pioneering work on stroke, vaccines and child and maternal health.

Speakers:

Dr. Akira Endo

President, Biopharm Research Laboratories; Distinguished Professor Emeritus, Tokyo University of Agriculture and Technology, Tokyo, Japan

Dr. Antoine Hakim

Emeritus Professor, Neurology, University of Ottawa, Ottawa, ON, Canada

Dr. Cesar Victora

Emeritus Professor, Federal University of Pelotas, Pelotas, Brazil

Dr. David Julius

Professor & Chair, Department of Physiology; Morris Herzstein Chair in Molecular Biology and Medicine, University of California San Francisco, San Francisco, CA, USA

Dr. Huda Zoghbi

Professor, Baylor College of Medicine; Investigator, Howard Hughes Medical Institute; Director, Jan and Dan Duncan Neurological Research Institute, Texas Children's Hospital, Houston, TX, USA

Dr. Lewis Kay

Professor, Departments of Molecular Genetics, Biochemistry and Chemistry, University of Toronto; Senior Scientist, The Hospital for Sick Children, Toronto, Ontario, Canada

Dr. Rino Rappuoli

Chief Scientist and Head External R&D, GSK Vaccines, Siena, Italy

We look forward to seeing you there!
